# Global Coverage

---

## We:

- Established in year 2010 in the midst of October and grown to have a global coverage of 130+ members across 72+ countries across world
- Strive to expand our membership base across world and invite quality members to be part of group so that we have a healthy family of freight forwarders
- have a policy to have not more than 4 members from each country except countries like China, India and USA which will have up to 8 members as we believe in making a small family and workable network
- Have an organized website where members are listed with their most updated details and membership status which enables our members to work with members by knowing best about them
